About the Conference

5th International Conference on X-ray Investigations of Polymer Structures
The satellite conference of the 20th European Crystallographic Meeting

Special tribute was paid to Professor Andrzej Włochowicz on the occasion of his 70th birthday.

Organised by:
- University of Bielsko-Biała, Faculty of Textile Engineering and Environmental Protection, Institute of Textile Engineering and Polymer Materials, Poland.
- Catholic University of Leuven, Belgium.

Sponsored by:
- Polish State Committee for Scientific Research (KBN), Poland
- SPIE, the International Society for Optical Engineering, in association with the SPIE Poland Chapter
- Committee of Material Science of the Polish Academy of Sciences
- TA Instruments

International Advisory Committee:
