3. Scientific seminar in honour of Professor Andrzej Włochowicz on the occasion of his 75th birthday. 'Recent Achievements in Fibre and Polymer Physics'

3 February 2006, Bielsko-Biala, Poland

Organiser:

ATH, Faculty of Textile Engineering and Environmental Protection

Detailed information is presented on pages 102-103.

For more information, please contact:

University of Bielsko-Biala (ATH)

43-309 Bielsko-Biala

ul. Willowa 2, Poland

E-mail: janicki@ath.bielsko.pl

4. Folk Textiles from the Collection of the Central Museum of Textiles

8.02 – 23.04.2006, Łódź, Poland

The exhibition presents decorative and practical folk-textiles of the present and the past.

Organiser:

Central Museum of Textiles, Łódź

For more information, please contact:

Monika Ptasińska

8. 9th Scientific Conference of the Faculty of Textile Engineering and Marketing

10 March 2006, Łódź, Poland

Organiser:

Technical University of Łódź (TU), Faculty of Textile Engineering and Marketing, Łódź, Poland

Scientific Committee:

Chairman:

Prof. Józef Masajtis, Ph.D., D.Sc.

Members:

Prof. Krzysztof Gniotek, Ph.D., D.Sc.;

Prof. Tadeusz Jackowski, Ph.D., D.Sc.;

Prof. Roman Jantas, Ph.D., D.Sc.;

Prof. Krzysztof Kowalski, Ph.D., D.Sc.;

Prof. Teresa Mikołajczyk, Ph.D., D.Sc.;

Prof. Jerzy Zajaczkowski, Ph.D., D.Sc.

Chairman of the Organising Committee:

Prof. Marek Snycerski, Ph.D., D.Sc.

For more information, please contact:

10. In Control – 'A Brand New Infection Prevention' Conference

20-21 March, Prague, Czech Republic

Organiser: EDANA

Selected topics:

- The importance of infection prevention
- Infection control, past – present – future
- The costs of not controlling infection

- Single-use gowns and drapes; Safety of the patient & staff
- Keeping microbes at bay
- Nonwoven technologies for microbiological barriers

For more information, please contact:
EDANA

Avenue Eugène Plasky, 157
B-1030 Brussels, Belgium
Tel.: +32 2 734 93 10

16. 'Jeans Design' – Designer Competition Final

8 April 2006, Łódź, Poland

Organiser:
Polish Fashion Chamber (KIM)
Contact: see item 12

17. Nonwovens Research Academy 2006

20-21.04.2006, Roubaix (Lille), France

The event will be hosted by l'Ecole Nationale Supérieure (ENSAIT) des Arts et Industries Textiles) with the operational partnership of Institut Français Textile-Habillement (IFTH), and in cooperation with Sächsisches Textilforschungsinstitut (STFI) e.V. and the Nonwovens Research Group of Leeds University.

Conference papers will include :

- Novel approach to fibre recycling
- Ionic liquids for man-made cellulose fibres – scope & limitations
- Fire retardancy of polypropylene nonwoven using ?intumescence
- Improved adhesive force of coating nonwovens achieved by means of nap-raising needling
- Penetration and spread of liquids in layered nonwoven materials
- Structuring of spun-lace nonwovens – possible extension of product variety
- An expert system for the optimisation of multifunctional needle-punched geotextiles
- Direct measurement of nonwoven pore size distribution with optic profiler
- Dynamic and energy absorption characteristics of nonwovens as potential vibration dampers
- Comparative dyeing performance of hydro-entangled fabrics and implications for improved sustainability
- Plasma surface modification and characterisation of nonwoven materials
- Dynamic observations of the circulation and separation of tensile fibres during airlaying

For more information, please contact:

Ms Giovanna Merola
Tel.: +32 2 740 18 19
E-mail: giovanna.merola@edana.org

18. 4th Industrial Trade Fair on Micro-Encapsulation

20-21 April 2006 Strasbourg, France

Organisers:
Denis Poncelet, Professor of ENITIAA, Nantes, France
Jean-Antoine Meiners, President of MCC, Colombier, Switzerland
Thierry Vandamme, Professor of ULP, Strasbourg, France
Klaus Eichler, Director of TCC & Glatt, Binzen, Germany

For more information, please contact:

ITFM4@bioencapsulation.net
Tel.: +33 2 51 78 55 45
Fax: + 33 2 51 78 54 67

19. 6th All-Polish Students' Seminar TEXTIL 2006 'History, Art and Elegance in Clothing'

24 April 2006, Łódź, Poland

Organiser:
Technical University of Łódź, Faculty of Textile Engineering and Marketing, Łódź, Poland

For more information, please contact:
Bogdan Ignasiak Ph. D.
TU of Łódź Faculty of Textile Engineering and Marketing
ul. Żeromskiego 116, 90-543 Łódź
Tel.: + 48 42 631 33 05

20. Hemp SYS - Final Conference. Design, Development and Up-Scaling of a Sustainable Production System for Hemp Textiles: An Integrated Quality Systems Approach

28 April 2006, Bologna, Italy

For additional information please contact:
stefano.amaducci@unicatt.it

21. Recommendation Workshops for the Textile Industry (Provider-Customer-Contacts)

2nd quarter of 2006, Łódź, Poland

Organiser: Polish Textile Association

For more information, please contact:
Polish Textile Association
90-950 Łódź, ul. Plac Komuny Paryskiej 5a
Tel.: +48 42 6327115, 6334095
Fax: +48 42 6322093
E-mail: swpzg@poczta.fm,
swpzg@polbox.com

22. 'From Geyer to Eskimo': an exhibition of the development of the textile industry in Łódź

11.05 – 26.11.2006, Łódź, Poland

Organiser:

Central Museum of Textile, Łódź, Poland
For more information, please contact:
see item 4

23. 7th International Conference EKOTEXTIL 2006 'Ecological Certification, a Significant Marketing Aspect'

17-19 May 2006, Ustroń, Poland

Organisers:

Institute of Textile Materials Engineering, Łódź, Poland
Österreichisches Textil-Forschungsinstitut, Vienna, Austria
VUTCH-CHEMITEK Žilina, Slovak Republic

Scientific Committee:

Prof. Dr. Ludomir Slusarski - Chairman
Prof. Dr. Stefan Brzeziński
Prof. Dr. Krzysztof Maruszewski
Prof. Dr. Edward Rybicki
Dr. Jozef Šesták
Prof. Dr. Andrzej Włochowicz
Dr. Erich Zippel

Chairman of the organizing committee:
Marian Ornat

Conference subject matters:

- New, environment-friendly technologies and materials in the textile industry
- Functionalisation of textiles using pro-ecological technologies
- Ecological aspects of nanotechnology
- Methods for testing the properties of ecological textiles
- Prevention of air and water pollution in the textile industry
- Protection of workers on work places in the textile industry
- Legal and organisational aspects of textile testing according to the Öko-Tex Standard 100 certification system, and its importance in Europe and worldwide
- Marketing potential of using Öko-Tex Standard 100 certificates

Contact:

Włodzimierz Szczepaniak
Institute of Textile Materials Engineering

Tel.: +48 42 2534400
Fax: +48 42 2534490
E-mail: imw@mazurek.man.lodz.pl

24. 7th Scientific Seminar of the Students' Scientific Circle for Textile Processes Automation: 'Textronics, Measurements and Automation in Textile Science and Industry'

27-29 May 2006, Konopnica, Poland

Organiser:

Technical University of Łódź, Faculty of Textile Engineering and Marketing, Łódź, Poland

For more information, please contact:

Prof. Krzysztof Gniotek
TU of Łódź, Faculty of Textile Engineering and Marketing Department for Automation of Textiles Processes
ul. Żeromskiego 116, 90-543 Łódź, Poland
Tel.: +48 42 631 33 11
E-mail: dzw4@sir.p.lodz.pl

25. 21st All-Polish Scientific Seminar 'Progress in Chemistry and Physics of Polymers'

May 2006, Łódź, Poland

Organiser:

Centre of Molecular and Macromolecular Studies, Polish Academy of Sciences

Contact: Prof. A. Duda
Łódź, Sienkiewicza 112
www.cbmm.lodz.pl

26. 6th All-Polish Workshops 'Progress in controlled polymerisation'

June 2006, Łódź, Poland

Organiser:

Centre of Molecular and Macromolecular Studies Polish Academy of Sciences (Prof. K. Matyjaszewski)

For more information, please contact:
see item 25

27. 4th International Conference on Textile Biotechnology

4-7 June 2006, Seoul, Korea

Contact:

Ms. Eun Kyung Choe
KITECH, Seoul, Korea
E-mail: ekchoe@cosmos.kitech.re.kr
www.intb.org

28. International Nonwovens Symposium

7-8 June 2006, Vienna, Austria

Organiser: EDANA

Symposium topics include:

- Nonwovens: novelties and new ideas
- Short-life and long-life products
- Industrial wipes
- Electrical applications
- Markets in Eastern Europe, Russia, the Middle East
- Regulations, standardisation
- New manufacturing and converting technologies
- Machinery developments
- Developments in raw materials
- Environment / recycling

For more information, contact:
see item 10

29. 'The Best Designer and Producer of 2005'; Competition

9 June 2006, Łódź, Poland

Organiser:

Polish Fashion Chamber (KIM)

Contact: see item 12

30. CLOTECH 2006 – 3rd Science-Technical Conference 'Development Directions of New Sewn Textiles'

The conference is dedicated to Professor Włodzimierz Więźlak, Ph. D, on the occasion of his 80th birthday and his 55 years of creative scientific work.

9 June 2006, Łódź, Poland

Detailed information can be found on page 104-105.

For more information, please contact:

M. Kwiatkowska, MSc.
TU of Łódź, Faculty of Textile Engineering and Marketing
ul. Żeromskiego 116, 90-543 Łódź, Poland
Tel.: +48 42 6313321
E-mail: mkwiat@p.lodz.pl

31. 20th Bratislava International Conference on Macromolecules 'Advanced Polymeric Materials'

11-15 June 2006, Bratislava, Slovakia

Organiser:

Polymer Institute of the Slovak Academy of Sciences
Slovak Chemical Society

International Advisory Board:

H. Benoit (Paris, France)
C. Carfagna (Napoli, Italy)
H. Gruber (Austria)
T. Chang (Pohang, Korea)
M. M. Chehimi (Paris, France)
G. R. Meira (Santa Fe, Argentina)
A. H. E. Mueller (Bayreuth, Germany)
J. Pionteck (Dresden, Germany)
B. Pukanszky (Budapest, Hungary)
I. Teraoka (Brooklyn, NY, USA)
R. Tsiang (Taipei, Taiwan)

Selected topics:

- Advanced polymeric materials with emphasis on nanomaterials, thin-layer technologies, composites, optically & electrically active systems
- Surfaces, interfaces, interphases, confined systems
- Methods for molecular characterisation of advanced polymers by chromatography and mass spectrometry
- Bulk methods for characterisation of advanced polymers
- Modern processing methods
- Biopolymers, biodegradable and biocompatible polymers

For more information, please contact:

37. 'From Ariadne's Threads' - Exhibition from the Cycle 'Visiting Museum'

6.09 - 26.11.2006, Łódź, Poland

Organiser:

Central Museum of Textiles, Łódź, Poland

For more information, please contact:
see item 4

**38. 7th International Symposium
'Alternative Cellulose'**

6 - 7.09.2006, Rudolstadt, Germany

Organiser:

Thuringian Institute for Textiles and
Plastics Chemical Research

39. Baltic Textile + Leather

13 - 15.09.2006, Vilnius, Lithuania

Contact: LATIA

Tel.: +370 5 273 4789

Fax: +370 5 273 4787

**40. 15th All-Polish Conference
'Molecular Crystals'**

19-23 September 2006, Conference
Centre at Sulejów Lake, Poland

Organisers:

Centre of Molecular and Macromolecular
Studies, Polish Academy of Sciences
(Dr J. Jeszka)

Institute of Physics at the Technical
University of Łódź

More information: www.cbmm.lodz.pl

**41. 2nd Scientific Conference of the
TEXMEDECO NET International
Scientific Net 'Textiles and
Health'**

Probably 27 - 28.09.2006, Wisła, Poland

Organisers:

- Textile Research Institute, Łódź, Poland
- Guiding Committee of Texmedeco Net

Contact: Textile Research Institute,

ul. Brzezińska 5/15, 92-103 Łódź

Tel.: +48 42 616-31-01

Fax.: +48 42 679-26-38

**42. Conference 'Current Problems
of the Leather Industry'**

3rd/4th quarter 2006, Poland

Organiser: Polish Textile Association

Contact: see item 21

**43. The 53rd Congress of the
International Federation of
Knitting Technologists 'Knitting
Today and Tomorrow'**

1-5 October 2006, Plovdiv, Bulgaria

Organisers:

- Scientific and Technical Union of
Textiles, Ready-Made Clothing, and
Leather Products
- The Bulgarian Section of The
International Federation of Knitting
Technologists
- International Federation of Knitting
Technologists (IFKT)

Selected topics:

yarns, technologies, machines, structures,
design, fashion & style, dyeing & finishing,
management & economy, quality, ecology,
education

Contact:

Bulgaria, Sofia 1000, Rakovsky108, HTC
no TOK

E-mail: congress43ifkt@mail.bg

**44. International Scientific
Conference 'New Materials
and Innovative Technologies
for Manufacturing Clothing
and Footwear'**

3-4 October 2006, Radom, Poland

A conference in the cycle 'Designing,
materials, and technologies concerned with
leather, clothing, and footwear'. Held under
the auspices of Professor Miroslaw Luft, Ph D,
DSc, Rector of Technical University of Radom.

Organisers:

The K. Pułaski Technical University of
Radom, Faculty of Material Science and
Footwear Materials, Radom, Poland
Polish Textile Association, Łódź, Poland
PIB – Institute of Exploitation Technology
(The Institute for Teratechnology), Radom,
Poland

Chairperson of the Scientific Committee:

Professor Maria Pawłowa, Ph. D., D. Sc.,
Eng., Radom, Poland

Members: outstanding researchers from
Finland, France, Germany, Lithuania, Italy,
Poland, Portugal, Russia, Spain, the UK,
and Ukraine.

Chairperson of the Organising Committee:

Jadwiga Rudecka, Ph. D., Radom, Poland

Representations from the EQUAL:TENKO
project from Portugal, Spain, and the UK,
the ENTERPRISE project from Finland,
Germany, Italy, Portugal, and Spain, as well
as researchers from the Czech Republic and
Spain, who cooperate with the faculty
will participate at the Conference. 3
October 2006 will be dedicated to the
scientific conference, and 4 October 2006
to workshops for micro-enterprises (new
materials, innovative technologies, projects
for supporting micro-enterprises).

For more information, please contact:

Jadwiga Rudecka, Ph. D.

**45. INTERNANO-TEX 2006
International Symposium
'Nanotechnologies in Textiles'**

3-4 October 2006, Łódź, Poland

Organisers:

- Technical University of Łódź, Faculty
of Textile Engineering and Marketing,
Department of Man-Made Fibres
- Polish Textile Association

Chairman of the Organising Committee:

Prof. Bogumił Laszkiewicz, PhD, DSc

Tel.: +48 42 631 3338

The scope of the conference includes themes
connected with preparation, properties and
applications of nanofibres, nanofibre com-
posites and interactive nanotextiles.

For more information, please contact:

Piotr Kulpiński, Ph. D.

Tel.: +48 (42) 631 33 62

E-mail: internanotex@mail.p.lodz.pl

**46. Textile Expo Russia 2006
1st Russian International Textile
Machinery Exhibition**

3-6 October 2006, Moscow, Russia

Contact: ITE Uzbekistan

Tel.: +998 71 113 0180

Fax: +998 71 151 2164

E-mail: gulnoza@ite-uzbekistan.uz

**47. Symposium Workshop
on Declared Products'
Conformability in View of EU
Regulations' Responsibilities,
Conditions and Threats**

5-6 October 2006, Ustroń, Poland

Organiser:

- Certification Department
- Institute of Knitting Techniques and
Technologies TRICOTEXTIL

Contact:

secretariat@tricotextil.lodz.pl

**48. International Textile,
Clothing & Design Conference:
The Magic World of Textiles**

8-11 October, Dubrovnik, Croatia

Organisers:

The Faculty of Textile Technology,
University of Zagreb, Croatia

www.itcdc.ttf.hr

For more information, please contact:

Prof. Zvonko Dragcević, Ph. D.

Tel.: +385 1 37 12 542

Textile Machinery Exhibition**

17-21 October 2006, Beijing, China

Contact: Tel.: +49 89 949 22-350

www.imag.de

50. FILTREX 2006

24-25 October, Munich, Germany

Organiser: EDANA

Selected topics:

- Automotive filtration (engine air, oil,
fuel, cabin air)
- Air filtration (HVAC, industrial,
consumer products, clean rooms)
- Liquid filtration (food & beverage,
pharmaceutical/medical, water,
hydraulics)
- Speciality filtration (hot gas, medical,
anti-microbial, nanofibres)
- Global filtration market trends
- New filtration standards

Contact: see item 10

**51. Conference 'Textile Science
and industry: The Present State
and Prospects for Tomorrow'**

IV quarter 2006

Organiser: Polish Textile Association

Contact: see item 21

52. EL-TEX – 7th International Symposium 'Electrostatic and Electromagnetic Fields – new Materials and Technologies'

15 - 16 November, 2006, Łódź, Poland

Organisers:

Textile Research Institute, Łódź, Poland
Technical University of Wrocław, Institute of Telecommunication and Acoustics

Contact: see item 41

53. FIBRATEX 2006 3rd Symposium on Natural Fibres, Full Use of Fibres and Textile Applications, Organised as Part of the 13th Scientific Convention on Engineering and Architecture (CCIA 2006)

28.11 - 1.12.2006, Cujae, Cuba

Organiser:

The Jose Antonio Echeverria Polytechnic University, Cujae, Cuba

Co-organiser:

Institute of Natural Fibres, Poznań, Poland

Selected topics:

- Technology for fiberising and burling,
- Spin-off and by-products,
- Industrial use of fibres,
- Clean technologies,
- Waste treatment,
- Natural fibres,
- Ecology.

President of the Organising Committee:

Conrado Moreno Figueredo, PhD.
